**Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing?** Hi, my pleasure! I've been as well as one can be in this crazy year.

**It's wonderful to have you featuring with us, did you enjoy the shoot?** Very much so - Dark Moon is both my favourite photographer and a good friend. We always have the best time creating, drinking great coffee and chatting about everything in the world. Ooh, there was also some delicious vegan food thanks to his wonderful fiancee.

**IF YOU COULD SHOOT WITH ANY MODEL IN THE WORLD, WHO WOULD IT BE AND WHY? DITA VON TEESE! SHE HAS BEEN A MASSIVE INSPIRATION TO ME OVER THE YEARS AND IT WOULD HONESTLY BE A DREAM TO SHOOT WITH OR FOR HER.**

**Where are you from? Tell us a little about yourself:** I'm always confused on how to answer the 'where are you from' question, like, heritage or area of residence?! Ha. Well, I'm 'mostly' mixed Medditeranian and British. With Jewish roots, and a couple of other little bits of spice in the mixture - it's a long recipe. I was born and raised in North London (Spurs are the best football team and if anyone disagrees they are simply incorrect.)

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?** It's crazy, right? We've been living in a dystopian phil-fi novel. I've spent most of my time cooking, expanding my recipe repertoire and experimenting with self portraits. There really hasn't been much else to do. Did we ever think our superpower in the apocalypse would be simply staying inside? We've romanticised the idea of an apocalypse for years, where the primitive bodies we were given could finally use their irrational fight or flight responses appropriately. Clans would form, apparel constructed from whatever native material we had at our disposal, mutant superpowers rife and limitless freedoms transpire. But the reality has been much different. I hope more than anything this time will remind people about the finite nature of life, to value the essential workers they previously looked down on, and how their actions can greatly affect the lives of others.

Photographer: Dark Moon Media

**Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?** Haha, yes. It's probably a good idea that we do that. Work-wise, having the ability to create all the ideas I've had time to plan during the pandemic with like minded artists. But mostly? The little things we all took for granted before this. Hugging your friends, eating at restaurants, being in the crowd of a live music show - not being able to move surrounded by hundreds of other fans - all because you're brought together by your mutual love of a band. These illustrations of humanity at its most innocent, our collective consciousness, life imitating art.

**What TV series would you most recommend to binge watch?** Lost in Space on Netflix, even if you aren't a fan of sci-fi, it's such an immersive show. And of course Westworld, but I feel like everyone knows that show is iconic, right? I hope so anyway.

Photographer: Dark Moon Media

**Tell us a random fact about yourself:** Hmm, there are a multitude of different things I could say here, but people tend to find it surprising that I went to university to study psychology as I wanted to help develop artificial intelligence, because it's honestly the most interesting thing to me ever - an area I now want to explore with art and theatre.

**What has made you smile the most during this pandemic?** Hope for the future and the acts of kindness online be it big or small. Seeing people support the NHS and it's workers.

**It's been great having you with us, do you have any words for everyone reading this?** Thank you for having me! Yes -Black lives matter. Trans lives matter. Support the people of Yemen in whatever way you can. We all have the ability to be the change we want to see.

**Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing?** I'm good thank you! I've been trying to keep busy and post a lot on my onlyfans, as there's nothing else to do right now! Haha.

**What TV series would you most recommend to binge watch?** BUFFY! Oh or New Girl! No Brooklyn 99! Ah I can't choose!

**It's wonderful to have you featuring with us, did you enjoy the shoot?** Thank you for having me back! I loved it and had the best time. I met so many new people and made some really good friends - especially Laika. I got to bunk with her and she was the best roommate I could have had! I just wish I got to swim in the pool, but it was SO cold!

**Where are you from? Tell us a little about yourself:** I was born in Luton, but I've spent most of my life in Blackpool. Erm, well my life goal is to be an actress, I love making people happy, I'm constantly smiling or laughing at stupid things, and despite my cheery exterior I have quite a dark sense of humour! Haha.

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?** I was lucky enough to spend most of lockdown with my best friend. Unfortunately my boyfriend and I split just before all this started, and my bestie was kind enough to have me in her home. I moved in at just the right time as we were able to spend lots of time together! Mainly watching Buffy, drinking and eating lots of blue cheese!

**Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?** I'm looking forward to shooting again, actually being able to work, and going out with my friends! Ooh and eating at Wagamama's and Yo! Sushi! I'm dying to go there again!

**What has made you smile the most during this pandemic?** My Grandma wrote a beautiful song about being alone and wanting to see her family. She recorded herself singing it and sent it to all of us. My little brother shared it on Facebook and it went a little bit viral, to the point where she was on the radio! I was so proud of her I couldn't stop smiling/crying!

**TELL US A RANDOM FACT ABOUT YOURSELF:** FISH FREAK ME OUT, NOT ALL FISH, BUT MOST OF THEM! HAHA ESPECIALLY THE BIG ONES WITH BULGING EYES! AN EX OF MINE TOOK ME TO HIS FAVOURITE RESTAURANT ONCE AND BOOKED A SPECIFIC TABLE NEXT TO THE FISH TANK, WHICH WAS SUPER SWEET, BUT I HAD TO SWAP SEATS WITH HIM SO I COULDN'T SEE THE FISH! WHOOPS.

**IF YOU COULD SHOOT WITH ANY MODEL IN THE WORLD, WHO WOULD IT BE AND WHY? OH MAN, I HAVE NO IDEA! CAN I PLEASE JUST CHOOSE RIHANNA? BECAUSE, WELL DAMN HAVE YOU SEEN HER!?**

**IT'S BEEN GREAT HAVING YOU WITH US, DO YOU HAVE ANY WORDS FOR EVERYONE READING THIS? BE KIND, STAY SAFE, AND SIGN UP TO MY ONLYFANS! HAHA... BUT SERIOUSLY, DO IT :) ONLYFANS.COM/TINK\_SG**

**Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing?** Ok, I think lots of people can relate it's been a whirlwind of emotions.

**It's wonderful to have you featuring with us, did you enjoy the shoot?** I always have an amazing time on my shoots with you guys.

**TELL US A RANDOM FACT ABOUT YOURSELF:** AFTER YEARS OF BEING A PLANT REAPER, I CAN FINALLY KEEP PLANTS ALIVE. I'VE EVEN BROUGHT SOME BACK TO LIFE DURING THIS LOCKDOWN! I'M GOING TO SAY IT'S A SUPERPOWER!

**Where are you from? Tell us a little about yourself:** I'm originally from the middle of the countryside in Berkshire. I now reside in Cambridgeshire near Peterborough. A little about myself? Well, I get naked for a living. But I also do Illustration and design work. I'm also pretty good at Beat Saber on the PS4 VR!

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?** Being self employed, life hasn't changed much for me. We are lucky to have a garden so I've been trying to do my work outside whenever possible, if its sunny. I've also been trying to renovate the garden a little. Mostly just painting fences, decking and the shed. But I do have a little paving area I'm working on. It's very much a work in progress though.

**Thinking of positives: what are you must looking forward to when it's safe to get back to some normality?** Being able to see my family. I've missed my mum, my sister and her family a lot over the last few months.

**If you could shoot with any model in the world, who would it be and why?** Oh my goodness there's just too many. But I'd love to shoot with Erica Fett and Neptune as we haven't managed to shoot together yet even though we've been on shootfests together. I'd love to shoot with Miss Deadly Red, She's absolutely stunning, it would be freckle overload and that would be awesome.

**What has made you smile the most during this pandemic?** My dog, she's been giving me extra cuddles and it's adorable. She has her own insta, @drpepperpupper. Everyone should follow her.

**What would you TV series would you most recommend to binge watch?** Depends of what you're in the mood for. But I love to binge/rewatch Buffy! It's a classic and a TV show I grew up watching. It's one of my all time faves!!

Hi, thanks for giving us some of your time in this crazy world right now. How have you been? Well... overwhelmed at first, but I was getting used to the hermit mode, I took the time to do several things that I still had pending, so it's been great!

WHAT HAS MADE YOU SMILE  
THE MOST DURING THIS  
PANDEMIC? MAYBE THAT I SEE  
MY FAMILY MORE OFTEN BY  
VIDEO CALL, THAT'S GOOD.

**It's wonderful to have you with us, did you enjoy filming?** It was an adventure haha, although I was sick, and there were some communication problems (I was the only in Spanish speaker) haha but I had fun and I was with people who inspired me and they were all very sexy too... it was great!

**Where are you from? Tell us a bit about yourself:** I am Colombian, but for a couple of years I have been living in Spain, it is very different from Colombia. I recommend that you travel to Colombia haha, it is a very beautiful country and people are very happy. I am a very smiley and shy girl, although I really love being naked haha. I feel free, I am very flirtatious and it makes me very happy to make people laugh. I love posing for the camera, this is how I express myself!

**Many places in the world have been or are still closed. What have you been doing to pass the time?** I have done many exercise routines, I've read books, I've watched many movies and TV series. I took photos in every corner of my house, I studied a little English, yoga, many video calls and well, I slept a lot during the day... I think everything has haha.

**Positive thinking: what to expect when it is safe to return to normal?** I definitely want to go to the beach, I love it! But hey, I guess things won't go back to normal completely, or not at a good time... ok ok we're being positive haha I'll go to the beach!

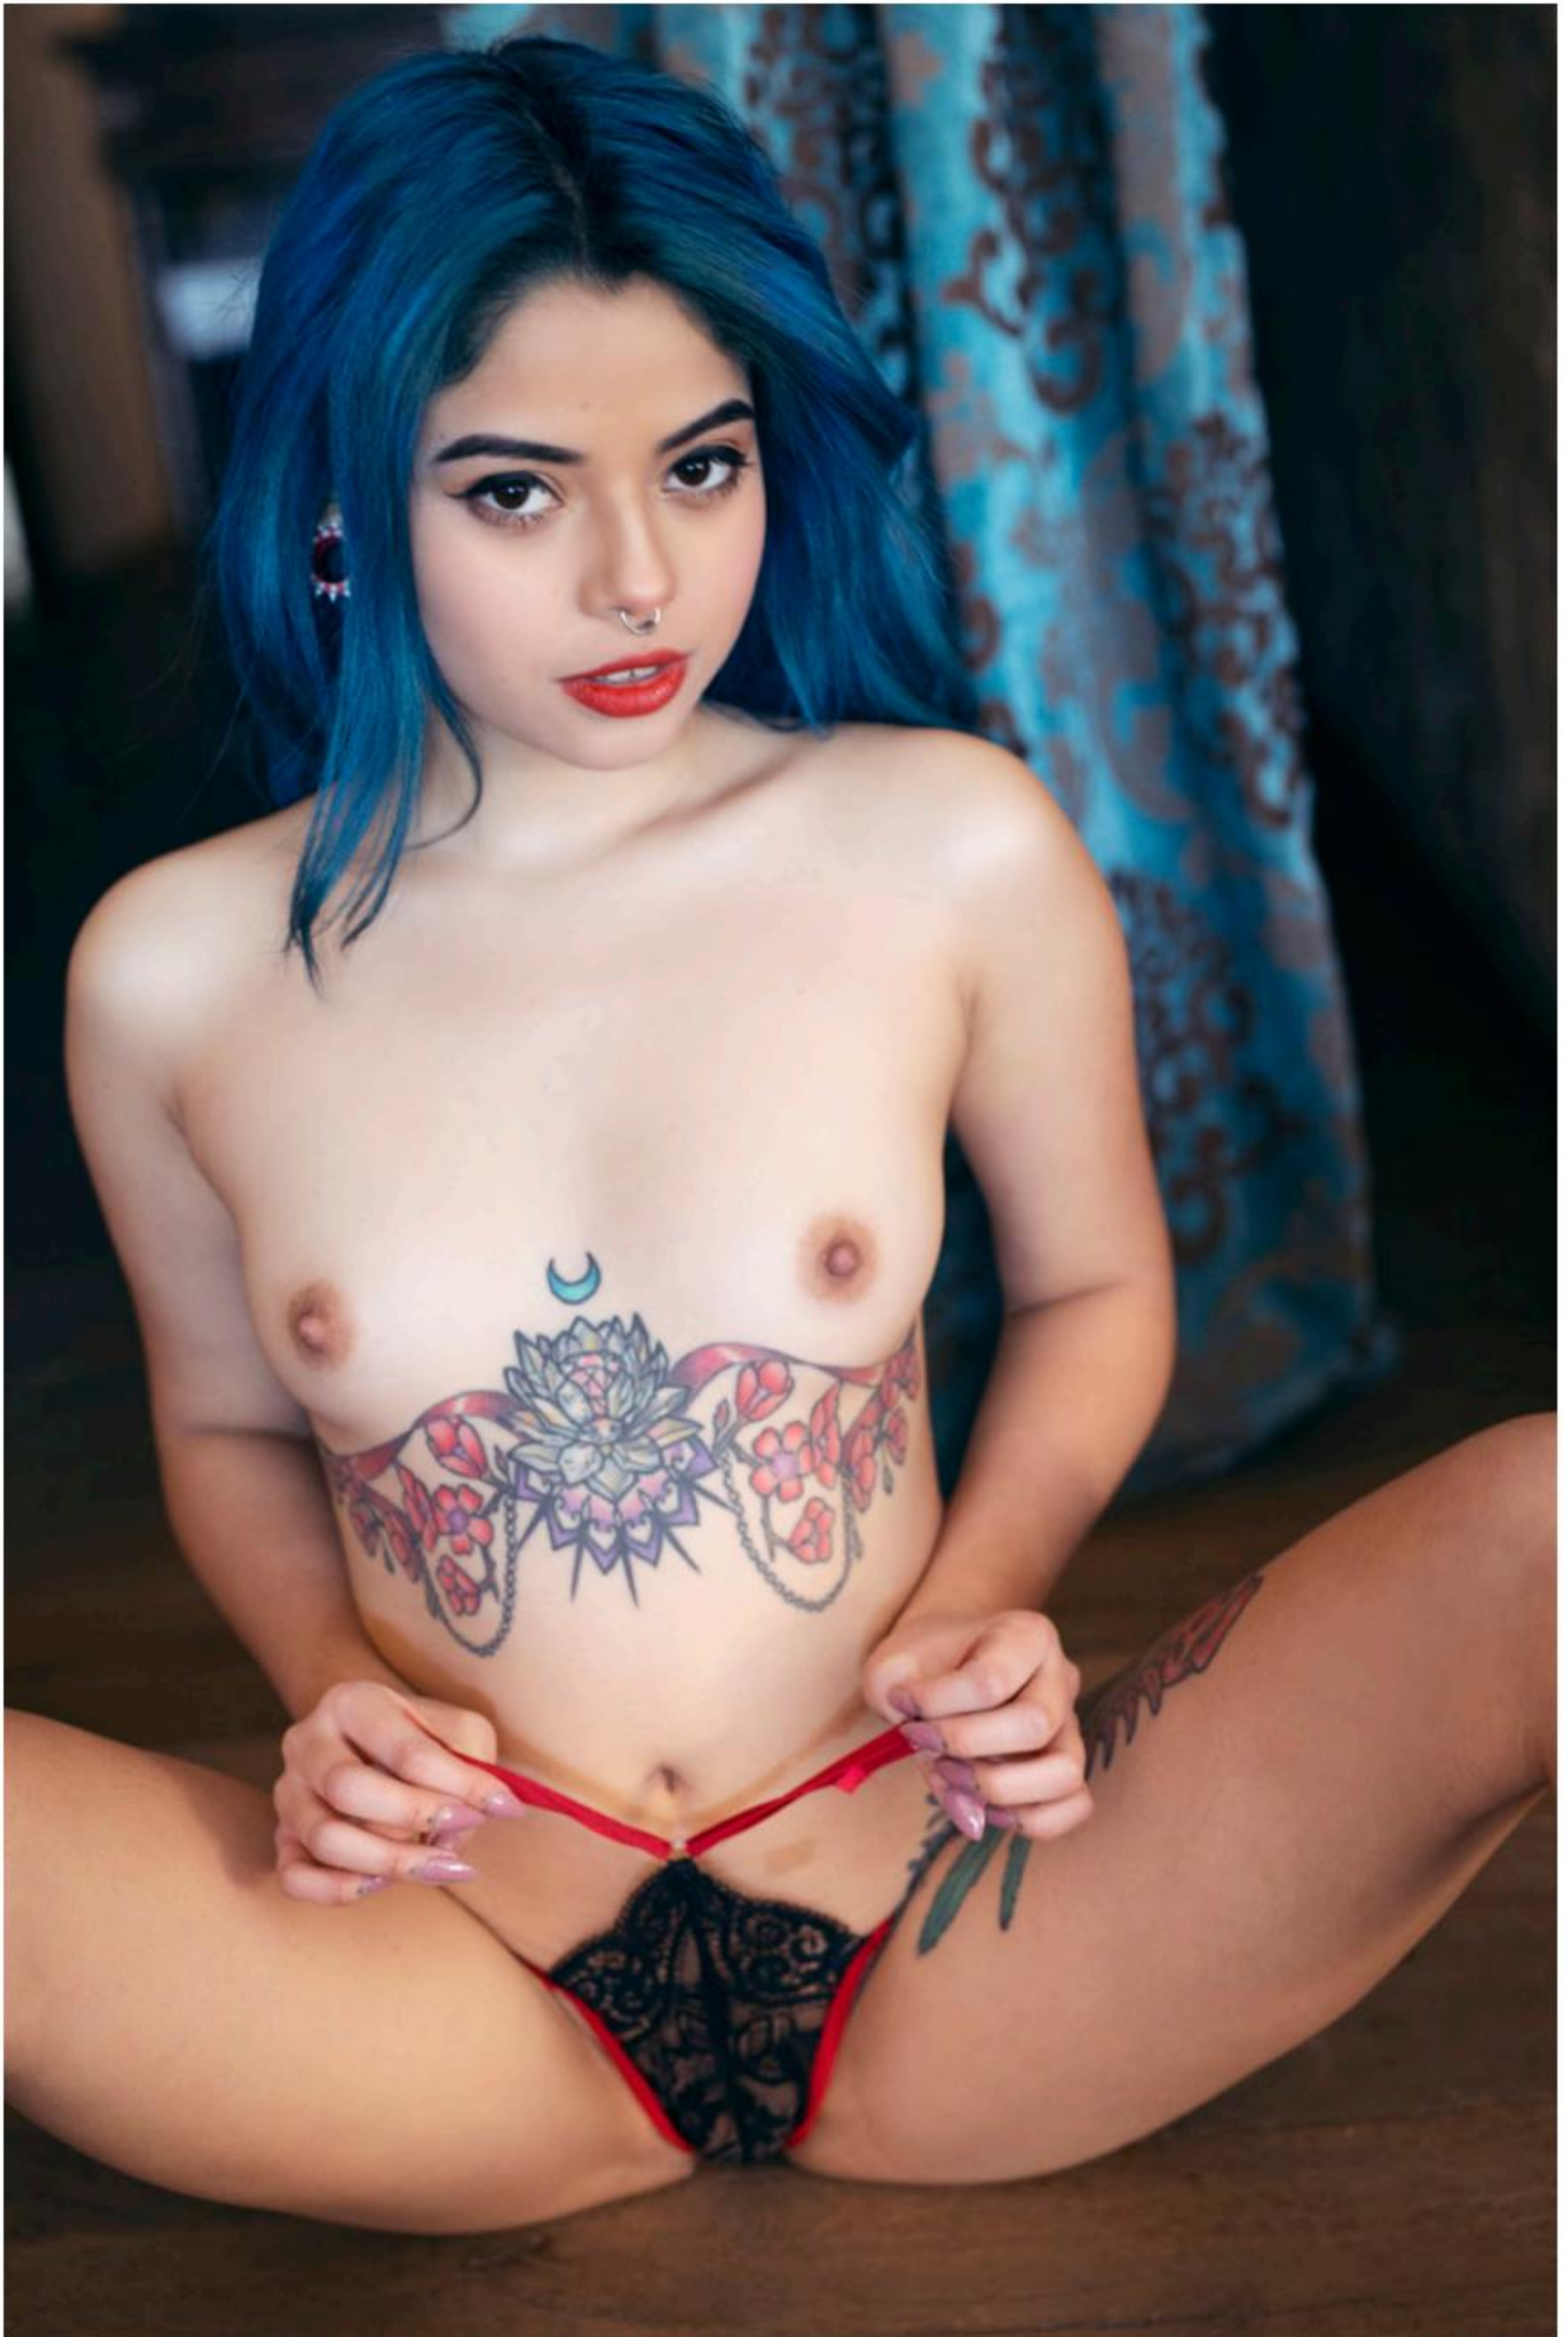

**If you could shoot with any model in the world, who would it be and why?** Ohhh, I don't know... haha, there are so many that are incredible, although I am shy and would be super nervous... but I would say Rebecca Crow, I always love her. She is impressive and very beautiful. I love the energy she transmits.

**What television series would you recommend the most to watch compulsively?** It's fun because I love long TV series and a lot of drama, my favourites are Grey's Anatomy (16 seasons) and The Law and Order SVU (21 seasons). I LOVE HAHA recommended.

TELL US A RANDOM FACT ABOUT YOU: I LOVE LEMON WITH SALT HAHA IT IS A GUILTY PLEASURE FOR ME... AND WELL, I AM SUPER INGENIOUS, I ALWAYS THINK OR SAY CRAZY THINGS HAHA. I AM A CHARACTER SO I HAVE FUN WITH MYSELF.

**IT'S BEEN GREAT  
HAVING YOU  
WITH US, DO YOU

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? I'm doing well thank you! Just been staying home and staying safe, a little bored at times but can't complain!

It's wonderful to have you featuring with us, did you enjoy the shoot? Thank you for having me! Of course, I always love shooting with Elite! It's always so much fun!

**Where are you from? Tell us a little about yourself:** I'm from just outside of London! I've always lived near London, but it's my absolute dream to move to the middle of nowhere and open a little animal sanctuary!

**You have made our cover for the second time, how does it make you feel to go through the whole journey with us?** What an honour! I couldn't believe it the first time, so to get to be on the cover for the second time is just amazing! Especially as I love Elite so much!

**What's your favourite thing about Elite?** I love that shooting with Elite is always so much fun and I've had the opportunity to meet so many amazing models and go on some great trips with Elite!

**You are pretty much known as The Goddess by the rest of Team Elite... do you like this new title we give you?** I mean who wouldn't love to be known as the Goddess! I'm not sure I deserve that title but I'll take it!

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?** I've spent most of my time hanging out with my cat and playing Animal Crossing to be honest! I've also taken up running to try to stay in shape!

**If you could shoot with any model in the world, who would it be and why?** Polly Ellens! She's absolutely stunning and inspired me to embrace my freckles as I used to hate them and cover them all the time, but no more!

**What TV series would you most recommend to binge watch?** I've just finished Ozark, took me a while to get into it, but then I was hooked! Also Friday Night Dinner is hilarious!

**What has made you smile the most during this pandemic?** Spending time with my family! I'm lucky to have been in lockdown with my loved ones so it's been great to spend more time with them!

**THINKING OF POSITIVES: WHAT ARE YOU MUST LOOKING FORWARD TO WHEN IT'S SAFE TO GET BACK TO SOME NORMALITY?** I'M EXCITED TO START SHOOTING AGAIN! MY LAST SHOOT WAS WITH ELITE ACTUALLY AND HOPEFULLY MY FIRST SHOOT BACK CAN BE WITH ELITE TOO!

**TELL US A RANDOM FACT ABOUT YOURSELF:** SO I'M NATURAL GINGER, BUT YEARS AGO I USED TO DYE MY HAIR BLACK WHICH LOOKED ABSOLUTELY TERRIBLE ESPECIALLY WHEN MY GINGER ROOTS WERE COMING THROUGH, IT HAUNTS ME TO THIS DAY.

A woman with long, wavy red hair is posing against a red brick wall. She is wearing a red, one-piece bikini. She has several tattoos: a large, intricate black and blue tattoo on her right shoulder and upper arm, a blue and black floral tattoo on her left forearm, and a large blue and black rose tattoo on her right thigh. Her right hand is pressed against the brick wall, and she is looking towards the camera with a slight smile.

IT'S BEEN GREAT  
HAVING YOU WITH

**Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing?** It's been an adjustment for sure! Right now I'm trying to split my time between advocating for my black friends and neighbors against institutional violence, and giving myself the right self care to continue the fight as long as possible. I've always been really appalled at the way America takes toxic racism in stride and I am glad to be able to support a movement for caring and support in the face of it.

Photographer: Sunnie Rizzolo

**What has made you smile the most during this pandemic?** My dog is my most loyal companion, and it is an absolute joy to stay home with him for any reason. When I am sad he reminds me that there are good things to live for, and when I'm happy he is also happy. He was my first big decision as an adult, and ten years on it still seems like one of my best decisions overall. He is the absolute sweetest guy on the planet and I am incredibly blessed to have had the opportunity to bring him into my life.

**It's wonderful to have you featuring with us, did you enjoy the shoot?**

Oh absolutely. I adore shooting with Sunnie. We have been shooting once or twice a year for a while now and I'm so thrilled to finally work with her on photos for Elite. It's a dream come true!

**Where are you from? Tell us a little about yourself:**

I grew up in the midwest and I'm currently living in the south east, although my end goal is to move more permanently to the west coast. I'm a body jewelry artist when I'm not in front of the camera, and I devote most of my spare time to naps with my dog and two cats and advocating for of social justice and fair resource distribution.

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?**

I'm very lucky in that I have the resources at home to create some jewelry, but I have also been baking almost non stop! An organization in town provides food to the community four days a week, so I have been contributing to that as much as I can. Since the lockdown everyone has been preparing the meals at home, but I'm absolutely useless at regular cooking so I have been relying on my baking skills intensely. Mostly just cookies and scones so far, but I aspire to successfully make cinnamon rolls soon.

**TELL US A RANDOM FACT ABOUT YOURSELF:** I LOVE LOVE LOVE VINTAGE FASHION AND NIGHTWEAR. VINTAGE VIBES, NOT VINTAGE VALUES, AS THEY SAY. THIS SLIP I'M WEARING IN THIS SET IS ACTUALLY FROM THE 70S!

**Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?** Photoshoots! Oh definitely. I'm a homebody and I'm doing pretty alright for the most part, but I was absolutely crushed when all my shoots were cancelled due to covid. I'm trying to wait VERY PATIENTLY for it to release its grip on Georgia, and in the meantime I'm teaching myself how to shoot cute content on my own.

**If you could shoot with any model in the world, who would it be and why?** Oh my gosh I have a huuuuuge girl crush on @neptuneexplainsitall. She is my dream emo girl! I think I'd need a little time to acclimate before the shoot though, I might faint slightly when I see her in person.

**What TV series would you most recommend to binge watch?** I absolutely adore the new Star Trek series, both Picard and Discovery. The acting is of course superb, and the visuals will blow you away. I'll try not to spoil anything, but the conclusions to each series left me very emotional.

**It's been great having you with us, do you have any words for everyone reading this?** Thank you so much for including me! I've been a big fan of Elite for a while so it is so exciting to be featured! Stay safe out there, and remember friends, no lives will matter until Black lives matter <3 Sellah

**Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing?**

You're welcome and thank you, I've been keeping myself busy enjoying the beautiful weather and those beach days. I hope you have been keeping well.

**IT'S WONDERFUL TO HAVE YOU FEATURING WITH US, DID YOU ENJOY THE SHOOT?** IT IS A PLEASURE TO BE FEATURED AGAIN SO THANK YOU. I ABSOLUTELY LOVED SHOOTING WITH YOU GUYS AGAIN, THE LOCATION WAS BEAUTIFUL, EVERYONE WAS WELCOMING. IT WAS A REAL GOOD VIBE AND I GOT TO DRESS UP IN MY COSPLAY OUTFITS WHICH I WAS OVER THE MOON WITH.

**TELL US A RANDOM  
FACT ABOUT  
YOURSELF: THAT MY  
BREASTS LACTATE.**

**Where are you from?** I am originally from London, but currently based in Bournemouth.

**A lot of places around the world have either been in lockdown or still are. What have you been doing to pass the time?** I've been trying to keep myself sane and busy whilst most places are closed with some gardening which I love to do, I find it therapeutic. I'm really close by to the beach front so I've taken myself down there with my bike. I really need to practice as I've found myself falling off a few times ha.

**Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?** I'm most looking forward to giving myself some tlc as this lockdown has challenge me a lot in many ways. I'm also looking forward to getting back to work, I miss shooting so much.

**If you could shoot with any model in the world, who would it be and why?** Currently I would love to work with Jessica Nigri, Jessica has been a massive inspiration the last few months with cosplay which I really want to learn more about and shoot more like that. I can only dream as I know she is very well known.

**What TV series would you most recommend to binge watch?** I would recommend The Order on Netflix, I'm big into horror films/series.

**What has made you smile the most during this pandemic?** You guys have been checking in with me and the funny voice notes which I love :)

**It's been great having you with us, do you have any words for everyone reading this?** It's my pleasure and thank you for having me again, keep on shining like the star you are!

Hey, thank you for giving us some of your time in this crazy world right now. How have you been doing? Hey! I'm good, just back from Switzerland and now in Germany thinking where to move to for the next weeks since I'm freshly single!

It's wonderful to have you featuring with us, did you enjoy the shoot? Yes it was in Holland. I was quite tired though, as I didn't slept much haha.

**Where are you from? Tell us a little about yourself:** I'm Vietnamese born in Munich. I have been travelling non-stop over all continents for over 5 years.

**Thinking of positives: what are you most looking forward to when it's safe to get back to some normality?** I'm planning to meet all my girlfriends again in Ibiza mid July, then doing safari in South Africa before I'm move to Bali.

IF YOU COULD SHOOT WITH  
ANY MODEL IN THE WORLD,  
WHO WOULD IT BE AND WHY?  
MAYBE ANGELINA JOLIE. JUST

BUT NOT BORING!

**It's wonderful to have you featuring with us, did you enjoy the shoot?** Always! Shooting with Elite is my favourite every time!

She is wearing a black bikini top and has several large, detailed tattoos on her arms, chest, and legs. The tattoos include a large eagle on her left shoulder, a star, a compass rose, a bird, a large floral design on her chest, a red rose on her right thigh, and a laurel wreath on her left thigh.
